

## Top 10 Court Technology Solutions Awards

The Top 10 Court Technology Solutions Awards will be presented at the NACM annual conference in **Washington, DC**, this July. These awards are presented annually to recognize outstanding court websites.

### **CRITERIA**

The high-performing court engages many tools to operate efficiently and effectively in conducting the business of the judiciary. Technology is one such tool. Leveraging innovative technology to facilitate court business and communication is mission critical. Each year ten outstanding courts are honored for improving access to justice through the application of technology. Submissions will be judged according to the following criteria:

- Interactive capabilities (e-pay, e-filing, subscriptions, smart forms, etc.)
- Access to public records and other helpful information
- User interface (layout, navigation, ease of use, etc.)
- Optimization for mobile services
- Accessibility

If you have a technology solution (it can still be a website...) you are proud of or have noticed someone else's you think deserves recognition, please submit a nomination. Deadline for nominations is **April 14, 2017**.

Send nominations by email to [nacm@ncsc.org](mailto:nacm@ncsc.org)
