

NATIONAL ASSOCIATION FOR COURT MANAGEMENT
Committee Annual Report

COMMITTEE NAME: Past Presidents

Committee Chair: Pamela Harris

Date Submitted: 6/9/2014

Annual Conference Report

I. Project Updates

Project Title: Past Presidents Report

Results:

The Past Presidents have held three of the four scheduled meetings with the next scheduled meeting on Monday, June 23, 2014. The Past Presidents continue to be very active in the organization, serving on committees and offering their expertise. Currently six (6) Past Presidents are presenting workshops or hosting SIGS at the annual conference.

For Past Presidents in attendance at the Annual conference, a lunch will be held on Tuesday, July 15 from 12:00 – 1:15 at t location TBD.

The Past Presidents are hopeful that Marcus Reinkensmeyer will be able to share Arizona State Court resources in order to continue the Oral History Project at the Annual Conference. Jude DelPreore indicated that the secretariat services contract with NCSC is due for renegotiation and that the Oral History Project should be part of that negotiation.

Kevin Bowling continues to serve on a small workroup with Stephanie Hess, Scott Griffith, and Registered Creative seeking to make the NACM Core Competencies more easily accessible online and with hard copies.

Vicki Carlson reached out to the Past Presidents for the NACM mentoring program and certain individuals volunteered.

II. Progress on Strategic Plan Goals and Action Items: None

III. Additional Comments and/or Suggestions:

Past President, Kevin Bowling, did an outstanding job this year Chairing the Past Presidents' Committee. Accepting the position as State Court Administrator did not allow for me to spend the time necessary for this committee. Kevin's commitment to this organization is exceptional and I am so very grateful for his continued involvement.

IV. Board Action Needed:

Budget for the Oral History Project

V. Estimated Time as Board Meeting: 5 minutes
