Veri-Scribe is also available through Mercom's GSA Schedule GS-35F-0146N.

National Center for State Courts**202**

300 Newport Ave.

Williamsburg, VA 23185

Phone: (800) 450-0391 / Fax (757) 564-2015

E-mail: jramsey@ncsc.dni.usWebsite: www.ncsconline.org

Contact: John Ramsey

NCSC serves the state courts as they improve judicial administration. NCSC provides research, information, education, and consulting services focused on helping courts plan, make decisions, and implement improvements that save time and money while ensuring judicial administration that supports fair and impartial decision making.

NCSC is an independent, nonprofit court improvement organization founded by the state chief justices at the urging of Chief Justice of the Supreme Court Warren E. Burger. He envisioned NCSC as a clearinghouse for research information and comparative data to support improvement in judicial administration in the state courts. Twenty years ago, the Institute for Court Management merged with NCSC, adding an educational curriculum especially designed for court managers. In the early 1990s, an information services was created to strengthen the rule of law in countries around the world.

NCSC is located in Williamsburg, Virginia with program offices in Denver, Colorado and in Arlington, Virginia.

Nomad Technologies, Inc.

215

7874 12th Avenue, South

Bloomington, MN 55044

Phone (888) 666-2365 / Fax (952) 854-9351

Website: www.nomadonline.com

Contact: Lisa Rieken, Vice President, Lisar@nomadonline.com

Nomad Technologies, Inc. is the manufacturer of Multimedia Podiums and Presentation Stations. The various models of Presentation Stations and Podiums were designed to allow quality evidence presentation functions to be available to courtrooms through mobile or permanent audiovisual installations. Several of the Nomad Presentation Station models can be wheeled from courtroom to courtroom and require no pre-existing courtroom infrastructure to operate. Simply plug one power cord into a power outlet and the entire unit is activated and ready for use. Additional courtroom features available as options include: Annotation; Witness Remote Annotation; Zone Control of monitors; Judge Preview; and Judge Override.
