EXHIBIT SCHEDULE

Exhibits will be held on Wednesday, July 13
In the Red Rock Ballroom, Conference Level
10:00 am - 5:00 pm

All Events listed below are held in the Exhibit Hall

10:00 am – 12:00 pm  Court2Court Showcase
12:00 pm – 1:30 pm    Box Lunch
1:00 pm – 2:00 pm    Pin Exchange
4:00 pm – 5:00 pm  Afternoon Snack and Prize Drawings

PRIZE DRAWING RULES AND INSTRUCTIONS
The NACM Prize Card will be used for all exhibitor prize drawings!

To be eligible for all prize drawings, you must have all exhibitor signatures and two special stamps completed on the card.

The two special stamps can only be obtained by attending the Exhibitor Bonus Sessions on Wednesday, July 13 from 2:00-4:00 pm in Charleston Ballroom.

NACM is giving away two 32 GB Apple iPad2s with Wi-Fi and one complimentary registration to the NACM Annual Conference 2012 in Orlando, Florida.

FACT is giving away two conference registrations plus travel reimbursement (not to exceed a total of $1,000) to the NACM Annual Conference 2012 in Orlando, Florida.

Prize Drawings held between 4:00-5:00 pm in the Exhibit Area.

Submitting the completed NACM Prize Card, with all exhibitor signatures and 2 stamps from the Exhibitor Bonus Sessions (2:00-4:00 pm) is the only way to be eligible to win all prizes!

Submit completed prize cards at the NACM Booth #320.
All Prize Cards (including previous winners) are eligible for NACM & FACT Prizes.

You must be present to win!

PUSHING THE BOUNDARIES:

COMING TOGETHER TO STRENGTHEN AND SUPPORT THE ADMINISTRATION OF JUSTICE
Exhibiting Company Descriptions

AAERT
Booth #304
American Association of Electronic Reporters and Transcribers (AAERT) is a national membership organization providing education and certification for career professionals engaged in electronic/digital court reporting, transcribing, and other supportive roles. Our mission is to promote public awareness and acceptance of the electronic reporting industry.

ACS
Booth #400
The case and juror management systems at ACS, A Xerox Company, have been licensed by more than 2,000 courts around the world to enhance the delivery of justice. ACS offers justice revenue services, electronic filing, interactive voice response, audio/visual technologies, document management systems, imaging and microfilm conversion, violation processing, and systems integration.

Adobe
Booth #301
Adobe solutions help justice and public safety agencies enable collaboration and strengthen information assurance by validating the authenticity and integrity of documents and forms and protecting private, corporate, and classified government data from unauthorized access. Because the security features remain persistent with the document, information is protected even when it leaves the secure network.

AECOM
Booth #417
AECOM delivers cost-effective and sustainable solutions that underpin the safety and integrity of any community. For more than 60 years, we have applied our architectural, design, engineering, security, space planning, communications, and preservation and conservation expertise to courthouse projects. We bring clients’ visions to life in support of space, organizational, and humanitarian objectives, resulting in facilities that serve the needs of the moment while retaining the flexibility to evolve.

AllianceOne
Booth #302
AllianceOne, a Teleperformance Company, provides collection services to government clients at the local, state and federal levels. We achieve superior recovery with low to zero complaints through experienced staff, technology and financial strength. Our service incorporates our values: Integrity, Respect, Professionalism, Innovation and Commitment. Contact AllianceOne today to learn more.
AmCad
Booth #312
AmCad, a nationally recognized leader in the government and records marketplace, has been providing solutions and services to government agencies for more than 20 years. AmCad’s core suite of products and services helps fully automate all aspects of the daily and long-term operations of courts, utilizing case management, e-Commerce, and enterprise content management.

American Telesource, Inc. (ATI)
Booth #316
American Telesource, Inc. (ATI), helps clients improve efficiency, lower costs, and expand access to information through user-friendly, self-service solutions such as interactive voice and web (IVR & IWR) applications. As a premier communication solutions provider, we provide unified communications, contact center, workflow solutions, and more.

Aptitude Solutions
Booth #203
Aptitude Solutions Showcase Court CMS offers the latest workflow technology that can be combined with existing courthouse resources and agencies to track and schedule cases. Designed from the ground up and in partnership with a high-volume county court, Showcase is capable of supporting courthouse processes as case management needs change and grow.

ARCONAS
Booth #209
Arconas. Exceptional Public Seating.
High-traffic spaces demand the best possible public seating. Arconas defines what high design and high performance are all about. We build seating that is stunning, comfortable, and durable. And we build it with a commitment to excellence and environmental stewardship. At Arconas, we set a high standard.

Association of Legal Administrators
Booth #412
ALA, Your connection to knowledge, resources, and networking, provides support, high-quality education, and services to legal management professionals in law firms, corporate legal departments, and government legal agencies. ALA also operates the Legal Management Resource Center (LMRC), www.alanet.org/lmrc, an online resource that answers legal management questions.

Brother International
Booth #402
Brother manufactures a full line of award-winning, network compatible, Monochrome and Color Laser Printers, Facsimile and Multi-Function machines and P-Touch labeling systems. Brother provides sales representatives throughout the United States that can work with Federal, State or Local government opportunities.
CourtCall
Booth #303
CourtCall created the turnkey Telephonic Court Appearance Industry in 1995 and currently provides service to over 1,900 Courts in 42 states. CourtCall is an organized and voluntary way for busy attorneys to appear telephonically in court from their office, home, or other convenient locations. CourtCall saves attorneys valuable time, reduces the fees for the clients, and aids in reducing the cost of litigation.

Courthouse Technologies
Booth #406
We use our experience in the jury management field to provide courts with the ability to modernize their jury operations though new technology and services. We can increase your yield and save your court money, all while allowing you to do more with less.

CourtView Justice Solutions
Booth #313
CourtView Justice Solutions engineers, installs and supports justice information and process management systems. We help courts, clerks, prosecuting attorneys, public defenders, probation offices, detention operators and law enforcement agencies enhance operations, increase access to justice and improve public safety. Our software implements paper-on-demand environments and integrates with many partner and third-party systems.

DLR Group
Booth #208
DLR Group is an interdisciplinary architecture, engineering, planning, and interior design firm with offices coast-to-coast and in China. Our promise is to elevate the human experience through design. This promise inspires sustainable design for a diverse group of public and private-sector clients, local communities and our planet.

ExhibitOne
Booth #307
ExhibitOne is a leading designer and integrator of audio/visual systems for federal, state and local courtrooms throughout the country. As a national leader in digital audio recording technology and an innovator in virtual interpretation solutions, ExhibitOne has nearly 15 years of experience with more than 1680 successful audio/visual system implementations.

Fidelity National Technology Imaging (FNTI)
Booth #408
Fidelity National Technology Imaging (FNTI) provides full-service document conversion services for both archived and ongoing projects throughout the US. FNTI has scanning centers around the U.S which provide scanning services of paper, film and fiche. To date, FNTI has successfully scanned and indexed over 2.5 Billion physical documents.
ForTheRecord (FTR) is the global leader in providing digital recording and content management solutions for justice and public safety venues. The FTR Gold family of courtroom offerings represents reliable and cost-effective solutions for capturing and managing court proceedings and provide rapid access to prerecorded content across the court enterprise.

Over the last two decades, GC Services has become expert at processing court-ordered debt and has established partnerships with more than 150 judicial districts nationwide. To date, GC Services has managed more than $8 billion in court-related cases. GC handles more than one million contacts per day through 30 operating locations.

Genesis Imaging is a leading technology company, with over a decade of experience helping organizations build intuitive and effective Enterprise Content Management solutions. With an emphasis on document management, business process automation and records management, our solutions have been developed and implemented within various industries.

Founded in 1963, Guardsmark has grown into one of the world’s largest security services companies. Through innovation, unmatched excellence and a total commitment to its customers, Guardsmark sets the gold standard for the industry. Guardsmark’s Judicial Division can meet the unique and complex requirements of court security environments.

A national leader in premier receivables solutions for more than 40 years, Harris & Harris is committed to the highest level of service and results. Our agency/law firm combination offers a partnership tailored to your unique requirements with a debtor-friendly touch designed to protect your reputation. Learn more at www.harriscollect.com.
We understand that a courthouse presents complex challenges to each discipline of a design team. As significant architectural icons in a community, courthouses must present a tangible symbol of trust and the value of the justice system. How a courthouse operates is integral to the expeditious delivery of justice; yet function is also paramount. For more than 30 years, our experts have completed over 70 projects, establishing a proven record of performance.

Heery

Booth #200

Heery’s professionals have designed more than 20 federal courthouses and dozens of county and municipal court complexes. We will work within your budget to deliver a project that achieves your design aesthetic, maximizes operational/space efficiencies, and enhances security. We bring an exceptional level of expertise to all assignments.

HOK Justice Architects

Booth #300

HOK specializes in the programming, planning, design, and delivery of new and renovated courthouses. Expertise includes architecture, engineering, interiors, and construction services, as well as needs assessments, feasibility studies, and sustainable design. HOK has received more recognition for courthouse functional and architectural excellence than any other firm. Twenty-five offices worldwide.

Hunt Reporting Company

Booth #418

Hunt Reporting Company is a full service court reporting and verbatim transcription service. We specialize in verbatim transcription of trials, interviews and examinations. If you have a recording of it, we can transcribe it. Audio and video file formats include, CourtSmart, FTR, JAVs, mp3, .wav, Olympus as well as numerous others.

Hyland Software

Booth #219

Hyland Software, Inc. is the developer of OnBase, a rapidly-deployable, modular suite of ECM applications that allows organizations to manage digital content, automate processes and integrate with critical applications. OnBase enables police, courts, prosecutors, probation and corrections to share information and collaborate within their own jurisdiction and with their counterparts throughout government.
Infax
Booth #206
Infax proudly presents the future of electronic displays, CourtSight Suite. The system uses commercial LCDs, kiosks and the web to electronically guide patrons to their destination. CourtSight apps provide real-time docket and jury information, display building directories, videos, visual paging, and emergency alerts. At the CourtSight booth, we will have our partner, Phoenix Kiosk, and a demonstration kiosk, showing how we change technology from “vision to reality.” Stop by to talk with a representative and see our solutions!

Integral Recoveries, Inc.
Booth #220
A top performing collection agency that specializes in recovering unpaid judicial fees & fines. Integral works with over 70 Courts and has recovered over $32 million for its clients. We can help your Court generate significant additional revenue, often at no cost to your budget. Please contact us at 1-(800) 660-8450.

Intresys-TurboCourt
Booth #317
TurboCourt’s award winning technology empowers statewide, large, and small courts deployments. Our recession-proof, flexible funding models enable any court to become more productive, effectively deploy resources, sustain and expand services. TurboCourt™ is the next-generation e-filing and public access platform for all courts, litigants and cases - saving clerks’ time, empowering judges, generating and increasing revenue!

iSys Global Solutions
Booth #217
iSys offers an advanced video capture and management system that enables courts to easily, expertly and inexpensively film, audio-record, access, edit, catalog and securely store their trials, hearings, counsel meetings and other court proceedings. Court systems of all sizes successfully use the powerful, versatile iSys video technology.

JAVS
Booth #405
Since 1981 JAVS has been and continues to be the industry leader in courtroom-recording systems with more than 2,500 systems installed in 35 states and abroad. The public record is sacred, requiring absolute verbatim accuracy. Let JAVS engineers customize a solution for your courtroom environment.
Jury Systems
Booth #314
Jury Systems Incorporated is, and always has been, singularly focused on Jury. At JSI we build, sell and support jury systems. We are dedicated to providing you the resources required to insure that your Jury Operation is a success. We understand that quality customer support is critical to your success. To that regard, our support is unparalleled in the industry.

Justice Systems
Booth #305
JSI has provided case management solutions to the judiciary for over 27 years. With hundreds of man years experience working with courts, prosecutors and public defenders, JSI consistently provides integrated, industry-leading technologies for the judiciary in such areas as case management, data sharing, e-commerce, public access, e-filing and document management, all based on the latest industry standards. With thousands of users in 26 states, JSI is truly “The Right Solution for the Justice System.”

LexisNexis
Booth #202
LexisNexis® is a leading global provider of content-enabled workflow solutions designed specifically for professionals in the legal, risk management, corporate, government, law enforcement, accounting and academic markets. LexisNexis originally pioneered online information with its Lexis® and Nexis® services. A member of Reed Elsevier, LexisNexis serves customers in more than 100 countries.

Liberty Recording
Booth #416
The Liberty Court Recorder solution is a Certified for Windows, PC-based audio/video recording program. Reliable, cost efficient, and easy to use. The Liberty Court Recorder solution can record up to 32 distinct recording channels. With over 4,000 Liberty systems installed across North America, Liberty is the best choice for courtroom recording.

Linebarger Goggan Blair & Sampson, LLP
Booth #212
Linebarger Goggan Blair & Sampson is a national law firm and leader in collection services for governmental entities. The law firm offers collection programs, including current and delinquent taxes, fees and fines, and many other types of miscellaneous local, state, and federal receivables. The firm’s principal office is in Austin, Texas.

Multi Business Systems
Booth #216
Multi Business Systems provides Print and Mail services. Summons, traffic, notices and post cards. We also have a Certified Mail program that will save time and money.
Municipal Services Bureau  
Booth #420  
Founded in 1991, Municipal Services Bureau (MSB) offers outsourced collections, payment-processing, and call-center services to over 600 courts nationwide. MSB increases the court’s revenue and ability to serve justice while decreasing your liability. MSB distinguishes itself based on Experience, Execution, and Ethics. For more information, please call 1-800-568-7004.

Nacht & Lewis Architects  
Booth #214  
Nacht & Lewis has been providing architectural and planning solutions to our clients for 89 years. We specialize in complex institutional building types. Our court design experience over the past 48 years includes new and renovation projects for County, State and Federal clients ranging from a 7,200 s.f. regional courthouse to a 780,000 s.f. federal courthouse.

National Association for Court Management (NACM)  
Forum on the Advancement of Court Technology (FACT)  
Booth #320  
NACM is a nonprofit professional association of those working in the field of court administration with almost 2,000 members worldwide. Quarterly publications: the Court Manager and Court Express. FACT is a consortium of private sector companies and senior court representatives dedicated to strengthening the dialogue between courts and their providers of technology. FACT is an ad hoc division of NACM.

National Center for State Courts (NCSC)  
Booth #319  
The National Center for State Courts (NCSC) is dedicated to improving the administration of justice by providing leadership and service to courts. NCSC accomplishes this by providing education, training, technology, management, and research services to the nation’s state courts and courts around the world.

National Safety Council  
Booth #308  
The National Safety Council is the leading safety advocate that prevents unintentional injuries and deaths with strategies based on research and collaboration. NSC partners with government, judicial bodies and private industry to develop critical initiatives which have led to seat belt and cell phone legislation and traffic violator program success.

NCO Group  
Booth #506  
NCO is a leading provider of Court-ordered debt collections with 80+ years experience and extensive national resources providing end-to-end collection and customer service solutions. NCO generated over $5 billion in revenue to Government clients the past 5 years. See what NCO can do to help increase your revenue and service to your citizens.
nCourt
Booth #218
Currently in over 1,100 locations in 27 states, nCourt is a leading provider of e-commerce services for courts and governments at no cost to the court or government agency. The company is the largest provider of online electronic payment services (traffic citations, bail etc.) and electronic filing for pro se litigation and has a growing presence in courts of higher jurisdiction. nCourt is known for its high-quality service to both courts and filers.

New Dawn Technologies
Booth #306
New Dawn’s case management solutions are more than just software, they are elegantly crafted workflow and case management tools configured to simplify and unite government professionals with constituents. JustWare | Court assists professionals by accurately tracking cases, automating daily tasks, and providing online data sharing tools for stakeholders and constituents.

PCSS
Booth #221
PCSS develops and supports JEMS, a Web-based configurable case management system for courts, clerks, and prosecutors. JEMS is fully customizable, and to further boost productivity we also offer e-filing, ticket writers, imaging, and IVR. Our enhanced Jury Management System is also available on the Web.

Pfeiffer a Wiley Imprint
Booth #421
From leadership development to online learning to on the job training. Pfeiffer resources offer proven ideas and practical guidance for building training programs and developing professional skills and knowledge. Please stop by our booth for one free LPIonline 360 assessment by Kouzes and Posner. Pfeiffer is an imprint of John Wiley & Sons, Inc.

Pioneer Technology Group
Booth #413
Benchmark, from Pioneer Technology Group, is a true advancement in CMS technology. The paperless workflow will streamline the entire court process enabling courts to keep up with demand despite shrinking budgets. Benchmark includes onboard imaging, e-filing and recording, digital signatures, in-court processing, and more. We look forward to meeting you!

PUSHING THE BOUNDARIES:
COMING TOGETHER TO STRENGTHEN AND SUPPORT THE ADMINISTRATION OF JUSTICE
Pioneer, backed by Sallie Mae  
Booth #215  
Founded in 1980, Pioneer is a collections company backed by Sallie Mae that’s setting a higher standard of professionalism in the industry. Pioneer delivers value to its clients by following through on its promises and protecting your reputation. By leveraging the resources of Sallie Mae, we combine the scale of a corporate leader with the focus of a local partner.

Point & Pay  
Booth #500  
Point & Pay enables counties to accept credit card, debit card or electronic check payments for taxes and fees online, over the phone or over the counter. Hundreds of counties nationwide have selected Point & Pay because of our real time reporting, capabilities, simplified settlement, and personalized support.

Progressive Financial Services  
Booth #207  
Progressive has over fifteen years experience collecting government debt and, maintains contracts with several branches of the federal government. Progressive’s philosophy of building a better collection agency through better treatment of our employees directly ties with our corporate motto of “Mediation, not Confrontation.”  
Progressive welcomes the opportunity to create new partnerships and demonstrate our recovery success as we help you reduce your delinquent debt.

Providence Community Corrections  
Booth #205  
Providence Community Corrections provides misdemeanor probation services. Our comprehensive approach, Complete Probation increases probationer compliance and promotes positive outcomes. Our goal is to hold a client accountable for their behaviors, positively impact their lives and enhance the community’s safety and sense of well being.

PSA-Dewberry  
Booth #213  
PSA-Dewberry is a full service design firm specializing in justice facility architecture. PSA works with local, state and federal court systems. PSA-Dewberry’s leadership in court design ensures clients the most current applications of security and technology, as well as fresh ideas to meet the challenges of courthouse architecture.

RevQ  
Booth #414  
RevQ, part of the Columbia Ultimate family of companies, provides industry-leading software solutions and consulting services to improve success in revenue recovery and restitution compliance for Courts. RevQ leverages leading collections tools, techniques and technologies and unparalleled government expertise to help clients consistently optimize efficiency, improve compliance, and increase collections.
Selectron Technologies
Booth #508
For nearly two decades Selectron Technologies has empowered courts with IVR, Web, Automated Outbound Dialing and Electronic Payment technology. Our mission is to provide interactive solutions tailored to meet your court’s specific business rules and requirements and reduce costs, better manage staff workloads, and improve service to your citizens.

Sustain
Booth #409
Sustain’s highly configurable, Web-based eCourt case management system supports all case types and local requirements. The system provides configurable workflow management to automate and streamline the court’s work; real-time courtroom case processing; fully integrated document management; customizable time standards; system-wide configurable help; case notes; and a Web services API.

Tybera
Booth #404
Tybera provides electronic filing software to courts, attorneys and government agencies statewide. Licensing its eFlex software allows courts to automate filing workflow and reduce manual data entry. Plus our new CASEaDia PDF binders are a great tool for judges to use to manage their daily docket, all from one file on their desktop.

Tyler Technologies
Booth #318
Simplify processes and improve workflow for courts of all sizes—state, district, county and municipal—with software from Tyler Technologies, the largest U.S. company dedicated to providing software and services solely to the public sector. We provide advanced and reliable functionality to track all aspects of court business.

VIQ Solutions
Booth #419
VIQ Solutions is a global leader in digital audio and video recording. Our software captures and compresses data, securely storing it in a multi-tiered server system where it is easily searchable and shareable. Our innovative technology allows users to remotely control capture in multiple courtrooms from a single satellite location.
West, A Thomson Reuters business  www.west.thomsonreuters.com
Booth #401
Since 1872, West has given customers a powerful competitive advantage by providing the highest-quality legal, regulatory and business information. Today, our innovative technology tools help them manage that information. In addition to being the home of Westlaw and WestlawNext, the premier online legal research platforms, West annually publishes more than 66 million legal books and 500 CD libraries. Find thousands of authoritative books, forms, online and mobile resources, software packages and services at west.thomson.com.

Windham Professionals  www.windhampros.com
Booth #109
Windham Professionals, a full-service accounts-receivable management company, has offered collection services since 1982. With a strong emphasis on client data security and state-of-the-art technology, we work with government agencies to provide customized solutions, ensuring our partnership feels like an extension of your current operations.
