- Approval of the September 26, 2019 Minutes:
Minutes were approved.
- Ethical Issues and Challenges
We are continuing to review and refine the Depictions of Ethical Issues and Challenges.
- Survey of Ethics Review Boards
It was suggested that NACM approach the Conference of State Court Administrators (COSCA) to ask if that group would help disseminate the survey to state court offices around the country. NACM president Will Simmons agreed to bring up the request at the next COSCA meeting.

It was also suggested that NACM could suggest establishing a closer working relationship with COSCA regarding the ethical implications of COSCA policy position papers. Will agreed to also make that suggestion at the next COSCA meeting.

- Archived Ethics Information
Thanks to Angie VanSchoick who posted ethics codes from seven more state on the NACM website. The catalog will grow as we will regularly add to the list.
- Good of the Order
No updates.
