- We are looking at the purged membership list we received monthly. Tina was sending personal messages. The Past Presidents committee is graciously offering to reach out.

Subcommittees:

○ Early Career Professionals

Stacy Worby

- There was not a meeting this month, so nothing new to report.
- Christina and Stacy have been working on ECP social media efforts.
- Working on a mentorship guide; the forms will be next.
- Working to provide some of these items specifically for members, so putting it within the Membership Portal.

○ State Associations

Jeffrey Tsunekawa

- There are some strategic planning items the State Associations groups need to discuss.

 - Have not met for the last couple of months, but will meet in December.
 - Continue to work on templates for court association formation
 - This is being translated into Spanish
 - Working on articles for a variety of publications.
- Working Groups Tina Mattison
 - Ambassador program was developed by Zenelle Brown. The pilot was approved by the Board at the last meeting. Hope to get that working in the new year. This will help us to share who we are, what we do, and why this is important for our profession.

Diversity and Inclusion Committee

Tina Mattison

- NACM wants to make this a focus both centrally, as well as making it a part of each committee. We will be ensuring that we will hold ourselves accountable for incorporating this into our operations. NACM wants to make sure we have the depth and breadth of the diversity of our court community for every project and committee of NACM. We will be regularly checking in to make sure we are doing this. We especially should include this in CORE, either as another competency, or as a part of the 13 existing competencies.

CORE Champion

Tina Mattison on behalf of Kelly Hutton

- This program is getting closer to being completed and ready. This is intended to acknowledge court professionals who have attended education sessions about all 13 competencies

New Business

- Tina will be inviting Texas representatives to the January meeting to discuss how to get more representation from this state.
 - Jeffrey mentioned that there are some states where they have their own ICM program. Texas did this through a local association which dissolved in the last 12 months. NACM's CORE Champion may help fill that gap.

Next Meeting Dates for 2021 – January 6th, February 3rd, March 3rd, April 7th, May 5th, June 2nd.
