Member Website updates

Tina Mattison

- Requesting feedback on the Member Portal section of the website.
- One issue is that once you login you have to re-login for every items behind the wall. Erin believes this was an issue with Chrome. This was addressed with the vendor, but there was not a successful resolution. Erin will work with the vendor to see if that can be improved.

New Business

- 44 people were on the purged list this month. We are forwarding this to the past presidents for personal outreach. These efforts are keeping us steady, despite reduced budgets.
- Tina asked Raul about his perspective as a Rural Court administrator for NACM to better reach and support potential rural court administrators.
