

# National Association for Court Management

Resolution # \_\_\_\_\_3\_\_\_\_\_ Year \_\_\_\_\_2016\_\_\_\_\_

## **- Encouraging Consideration of Recommended Steps and Practices For the Recruitment, Selection and Retention of State Court Administrators, Managers, and Professionals -**

WHEREAS, it is important for a state to develop and implement an effective strategy to attract strong State Court Administrator candidates; and

WHEREAS, it is equally important for court jurisdictions to develop and implement an effective strategy to attract strong Court Manager and Professional candidates; and

WHEREAS, it is important to design and have in place a fair and rigorous process for screening, evaluation, and selection of successful candidates; and

WHEREAS, the CCJ/COSCA Court Management Committee has developed the Recommended Steps and Practices for the recruitment, selection, and retention of State Court Administrators;

NOW, THEREFORE, BE IT RESOLVED that the National Association for Court Management commends the Recommended Steps and Practices for the recruitment, selection, and retention of State Court Administrators developed by the CCJ/COSCA Court Management Committee, and encourages its members to review and consider these Recommended Steps and Practices as a model in future recruitments of Court Managers and Professionals; and

BE IT FURTHER RESOLVED that the National Association for Court Management encourages its membership to use the Recommended Steps and Practices for the recruitment, selection, and retention of State Court Administrators, as a guide in their personal professional development.

**APPROVED BY VOTE OF THE NACM BOARD ON
