- Approval of the March 25, 2021 Minutes
Minutes were approved.
- Update on Catalog of Ethics Codes, Survey, and Information
Six new ethics codes were posted: two interpreter codes, two court codes, and two state office codes. An appeal for more ethics codes was also posted at the top of the Ethics Code Catalogue webpage.
- Update on Depiction of Ethics Issues and Challenges
There were no recent additions to the *Depiction of Ethics Issues and Challenges*.
- Good of the Order
There was discussion on whether to designate state court systems that do not have an employee ethics code as opposed to states that have not responded to the ethics code request. There will be no designation at this time.

It was noted that the National Association of Presiding Judges and Court Executives (NAPCO) was hosting a webinar on the ethical and policy implications of returning to work after COVID on April 22. NAPCO webinars are recorded, and those recordings are usually available to the public several weeks after the webinar airing date.

- Next conference call.
