- Annual Conference

TJ Bement

- We are pushing the information out on social media (all fronts) about the conference. We have not yet sold out, but we are getting close. If we do have individuals on stand-by, we will be looking at extending attendance after June 15th (California's date they may change restrictions.)

- Membership Scholarships

- We had two nominations, so we have two new members! Congrats to Jenny Rogers, California Court of Appeals and the Julie Malinowski, AZ Superior Court in Yavapai County.

Old Business

- Tina thanked Stacy and Jerrell who worked very hard on getting the Mentorship Guide updated. This is ready to get posted.
- This will be up in time to be showcased at the Annual Conference
- Previously, there was a comment about the website not being updated with new members. Tina checked the member portal and the information that used to be published in the Court Manager is on the Court Manager webpage. The new member information will be posted quarterly when the Court Manager comes out. Suggestion made to committee members to reach out to new individuals to welcome them.

Thanks to all who participated this past year in the Membership Committee!! It's been great being your Chair!

Next Meeting in person at conference July 14th from 3-4pm.
