Dear Court Leader,

The National Association for Court Management (NACM), with more than 1,700 members from all levels and types of courts throughout the United States and internationally, is the largest organization of court management professionals in the world. NACM provides court management professionals with the opportunity to increase their proficiency in the field while networking with colleagues to promote a common goal - improving the administration of justice.

In furtherance of this goal, NACM will host the 2025 Annual Conference, July 20-24, 2025, in Omaha, Nebraska. The conference theme is "*Promoting Public Trust & Confidence through Service & Collaboration*". This theme will deal with the strategies that courts must create winning customer/court user experiences and successful collaborations to better service those using our nation's courts.

Conference attendees can expect to enjoy numerous thought-provoking educational sessions, organized social and networking events, and a vendor and exhibit show. For more information, including the conference agenda, please visit the conference webpage at <https://nacmnet.org/2024-annual-conference/>.

This educational opportunity is uniquely designed for court professionals. I encourage you to support your staff's attendance at the conference to develop skills that will enhance your court or that you will consider engaging with your colleagues and advancing the field of court administration by attending the 2025 Annual Conference.

Thank you for your continued dedication to the judicial branch of government and the important role you play in advancing the administration of justice.

Sincerely,

Tina Mattison, President
