Call to Order 2:02 PM

Welcome and Roll Call with Jeff Chapple leading, Amanda Sites, Kathy Griffin, Michele Oken, Leesa McNeil, Rhoda Jones, Wil SImmones, Karl Thoennes in attendance

First item was the new ember packet updates. The revised welcome letter was discussed addressing the changes and items mailed. The 1st email notice was reviewed as well. There were positive responses to the clean look and updates as we transition into a technology organization and less printed materials.

Next was an update on the Scholarship deadline of May 4, 2018. There are a few received but several more opportunities if anyone knows of a colleague or member in need of assistance. The committee will review upon receipt of all applications the first part of May.

Annual awards were discussed next. The deadline for the awards has passed and we did receive submissions for each of the awards. The committees will review to see which ones meet the qualifications for award. This fall the membership services committee will convene a sub-committee to review the awards process, applications, and requirements. We would like to make any suggested changes at the fall Board meeting for 2019 awards.

Dual membership outreach to state associations was the next item discussed. April and May the committee will be reaching out to each of the state association contacts with a letter to submit to their membership encouraging them to consider joining NACM. We will monitor the responses and membership will evaluate after the 2 contractual contacts.

Around NACM we updated the members on the conference registration, social, the new "Leaders teaching leaders" with NASJE session, and the revised fun/run walk boot camp.

No additional new items. Thanked everyone and mentioned the next call May 17, 2017 @2:00 PM EST
