1. Welcome
2. *Midyear Conference Feedback* – those in attendance at the Bellevue conference had high remarks to make. The turnout was good and there was good local support. The educational sessions were also all highly rated, as were the speakers.
3. Annual Conference 2022 Updates
 - *Social event* – Jeff Chapple is working with Val on the event at the Harley Davidson Museum.
 - *Education and Proposal Review Underway* – The subcommittee is currently reviewing proposals for the Annual Conference. We received more proposals than we have session slots.
 - *Plenary Speakers* – Jeffrey and Jude are confirming our plenary speakers. Unfortunately, several of them came in with very high price points.
 - *Call for Awards* – The Call for Awards is still open. Individuals were encouraged to pass the word around or consider nominating someone.
 - *ECP Community Service Project* – The ECP Subcommittee is still evaluating an appropriate organization for the local service project.
 - *Fitness Activity* – Kathy Griffin and Brandon Kimura have volunteered to organize this year’s fun run/walk.
4. Adjourn
