

In lieu of a Core Committee call on Wednesday, I will provide another email update. We have a number of people who are unavailable for the call, and many others are still struggling with a lot of unusual operating circumstances. In summary:

\* **Core Champion** - I've gotten another interest or two, so hopefully we can get this kicked off shortly.

\* **Core Curricula Purposes and Responsibilities** - The Purposes and Responsibilities work group is in the process of a final review for formatting; they are close to finalizing and transmitting the final product soon.

\* **Core Curricula Operations Management** - This group plans to restart as of June 1, due to having to deal with COVID emergency issues.

Side note: Please consider being part of the NACM Board. The deadline for candidacy has been extended to June 12th - you can find the information here: <https://nacmnet.org/who-we-are/leadership/board-candidacy/>

I hope all of you and your families are still doing well. If there's anything I can ever do for you, please don't hesitate to reach out. Have a great week,

--
