

National Association *for* Court Management

EARLY CAREER PROFESSIONALS (ECP) SUB-COMMITTEE

MINUTES 6/3/20

1. Welcome/Introductions
 - Tina Mattison, Chair, AZ
 - Kathy Griffin, MI
 - Stacey Worby, AK
 - Valerie Gardner, NCSC
 - Janet Reid, NCSC

2. Annual Conference – Virtual experience
 - Tina asked the group if they knew how other virtual conferences have been held. Kathy confirmed that the National Association of Drug Court Professionals held their conference over the course of 3-4 days straight and they did not have any networking/charity events. Val mentioned that discussions have been held regarding advertising for scholarship donations. As our conference will not be held locally, it makes sense to have the donations go more towards NACM scholarships for future conferences/memberships.
 - Tina also mentioned that there would be some opportunity for Early Career Professionals in either a Shared Interest Group and/or through some type of virtual networking. Val indicated we would know more about this by the end of the month.

3. Engagement
 - Membership 2020 drive
 - Stacy asked if there would be a way to provide a cost savings to members. The board is still reviewing how best to move forward with the conference, but it will be a low/no cost to members. Tina indicated that there will be a large push to get the word out to a variety of organizations (universities, law schools, bar associations) to have them attend. She also indicated that with the low/no cost pricing, it may be easier to get more attendance of the Early Career Professionals. Tina stated that she would be using the virtual conference opportunity to have more of her staff attend.
