3. Annual Conference – Virtual Experience
   - Ways to engage during the virtual conference
     - Message boards
       Stacy suggested setting up a Discord server. TJ indicated past solutions for message boards have not taken off, if they are left open to all comments, can get complicated. Stacy agreed, would need to have good moderators to be successful. Valerie pointed out there are links on NACM.net to take you to the educational programs, but there is no place to have a conversation about it. TJ said chat features are available on the conference site, but only during educational sessions.
     - NACM conference app
       Tina suggested using the app for connecting with other virtual conference goers. TJ indicated the app is not enabled for this conference.

2019/2020 Committee Charges
Choose a Community Service Project for the Annual Conference
Plan/Implement networking opportunity for the Annual Conference
Define/Implement ways to increase participation of ECP outside of the conferences; (Ongoing)
• Facebook/Twitter
  Tina suggested using Facebook or Twitter. TJ asked if there a hashtag this year? Could promote that way, ask participants to “send tweets while you’re watching.” Valerie will check to see if there’s a hashtag and will need to check if NACM2020 has been used by another organization. Could ask participants post pictures watching the conference.

4. Engagement
  • Finding ways to increase participation
    • TJ is hoping to get more members during the educational meetings. Tina thinks we may get new members from the Tyler session since 250+ have already signed up.
    • There will be a survey after, asking if participants are members, inviting them to join NACM.

5. Court Manager and Court Express Articles
  • Articles or ideas for articles needed
    • Tina would like to do an interview article with an ECP member.

6. Next Meeting:
  • September 2, 2020
