Key points:

- The mid-year conference is smaller, more intimate, more regional, the annual conference tries to capture everyone.
- Go with an open mind that you are going to learn something.
- One of the most valuable benefits is the ability to network with other people. There are receptions for ECP & first-time attendees.
- Annual conference is twice as long – Monday night & Wednesday night are on your own.
- Contacts are valuable! Be prepared to bring contact information – business card or the like.
- There are educational components during the day, can meet with the private sector at the vendor tables, enjoy social opportunities.
- Come with the frame of mind that you are going to have fun & meet people.
