

Membership Committee July 2022

Minutes

See attached for attendees and those who expressed an interest in participating in committee work in 2022-2023.

1. Postponed review of minutes of last committee meeting.
2. Review of 2021-2022 year
3. Brainstorm ideas for 2022-2023, with a particular focus on remote networking opportunities.
 - a. Some way for those who work in tribal courts to engage among each other and further into NACM; perhaps a SIG, perhaps folding into the CORE
 - b. Suggestion for a personal touch reach out to new members
 - c. General consensus that communication by email (as opposed to Slack, Teams, etc.) would work well.
 - d. Others indicated a strong interest in maintaining communications through the NACM Conferences app, particularly because contacts have been established in the App.
 - e. Perhaps remote networking by region will reduce time zone issues, or holding an event multiple times of day. Virtual games; encourage members to “bring” non-members.
 - f. Suggestion for more collaboration with NASJE.
