**Scoring**: Tally the score for all statements. Total: \_\_\_. Use the following legend to identify actions.

Score of 33-40: Your court demonstrates strong leadership capabilities. Continue refining and strengthening leadership strategies.

Score of 17-32: Your court has a functional leadership structure but may need to focus on strategic vision, collaboration, or decision-making.

Score of 0-16: Consider a comprehensive review of leadership practices, with an emphasis on proactive leadership, adaptability, and effective decision-making.

Court leadership stays informed about changes in statutory policies and demographic trends affecting the court.
