The 2020 Call for Proposals was reviewed. T.J. requested those present to share the request will colleagues and to submit proposals. Notable changes this year include: midyear and annual launched at the same time; submitter can choose midyear, annual or both; ability to check theme and/or Core track; multiple session lengths, etc.

T.J. asked for volunteers to review midyear proposals – Stacey Fields, Melinda Brooks, and Tina Mattison.

As part of the continuing effort to improve conference planning, T.J. asked for volunteers to look at evaluations from the last year's conference to glean any useful comments or suggestions. Volunteers include: Jeff Chapple, Sarah Brown Clark and DeAndre Moore.

T.J. also provided an overview of the various social and networking opportunities at conferences. These include: First Time Attendees, Shared Interest Groups (SIGs), Hosts, Social Events, Fitness, and NACM Cares.
