2021 Annual Conference

Kathy indicated that registration for the Annual Conference opened last week and we are ½ way to full capacity. The agenda has now been posted on the conference website as of today, everyone should check it out. Jude has worked extremely hard with the speakers and moving around sessions and all of his hard work is reflected in the agenda.

Conference App – The app will still be through Attendify, however we have upgraded with more enhancements. In addition, the app will only be for registered participants, both in person and live stream. The reason for that is that is how the live stream audience will be in the conference. Val explained in detail. The instructions will go to all registered participants about 1 week prior to the conference.

ECP – There will be an ECP Reception and a NACM Cares fundraiser during the conference. Details will be forthcoming.

FTA – Rick and Elizabeth will work out the logistics of the ice breaker game, volunteers are needed.

Host – Kent Pankey has agreed to take on the duties of “Host master” Val and Erin briefly explained the registration process for hosts. Kent will work with them from the registration list. A Host Orientation will take place on Sunday, July 14th.

Fun Run/Walk – There will be a fun run/walk and Dorothy Howell and Tina Mattison have agreed to be in charge of the event. Kathy will work with the hotel for the course. Volunteers are needed as well to be out on the course directing participants.

Val, Jude and Kathy answered all questions regarding the logistics of moving ahead.
