Access Code: 775-040-645

The Education Committee reflects NACM's commitment to education court professionals. Its work is divided in to the educational services and programs that NACM offers. This includes: Conference Development, which coordinates and hosts two national conferences each year: the Core, which oversees NACM's educational competencies for court professionals; and Resources, which provides guidance on additional NACM products and services including guides, webinars and other content. The overall Education Committee coordinates the efforts of NACM to ensure that premier educational content is provided to the court professional community.
