Dear Court Leader,

The National Association for Court Management (NACM), with more than 1,600 members from all levels and types of courts throughout the United States and internationally, is the largest organization of court management professionals in the world. NACM provides court management professionals with the opportunity to increase their proficiency in the field while networking with colleagues to promote a common goal - improving the administration of justice.

In furtherance of this goal, NACM will host the 2024 Midyear Conference, February 4-6, 2024, in Costa Mesa, CA. The conference theme is "*Leadership Opportunities and Challenges for our Nation's Courts: Engaging a New and Diverse Workforce*". The Midyear Conference will deal with leadership opportunities and challenges to engage and retain the court's workforce. The parallel challenges of a competitive talent landscape, a multigenerational workforce, and the need to promote diversity are also integral to this theme.

Conference attendees can expect to enjoy numerous thought-provoking educational sessions, organized social and networking events, and a vendor and exhibit show. For more information, including the conference agenda, please visit the conference webpage at <https://nacmnet.org/2024-midyear-conference>.

This educational opportunity is uniquely designed for court professionals. I encourage you to support your staff's attendance at the conference to develop skills that will enhance your court or that you will consider engaging with your colleagues and advancing the field of court administration by attending the 2024 Midyear Conference.

Thank you for your continued dedication to the judicial branch of government and the important role you play in advancing the administration of justice.

Sincerely,

Rick Pierce, President
